

# #ObserveUs

We are using a *Flipped Classroom* model for week 9-10 and would love to get your feedback.

We are focusing on:

- 1) How well are we **collaborating** with each other?
- 2) How **engaged** are we in our learning?
- 3) How well are we **self-managing** our learning?

Your honest feedback will give us cause for reflection about our *wins* and *challenges*.

Thanks for taking the time to visit with us!
